FROM OLD HAYSEED'S HATCHET BOOK

If you want to kill your town,

Try to "knock" the people down

If they don't agree with you,

Knock the thing they try to do.

If again they dare to try,

Stand and laugh as they pass by.

And when you've done the things I've said,

Tell your friends, your town is dead.

TO ALL RESIDENTS OF THE TOWN OF HOOKSETT

In accordance with past policies your Board of Selectmen submit herewith, for your approval an accounting of their activities in behalf of the Town of Hooksett for the year 1962. We will endeavor in this report to bring you up to date on the present state of affairs in this Town but also we will try to express our thoughts on future action to be taken, to insure the progressive, orderly growth of this community in the ensuing years.

As many of you will recall, about five years ago, a building committee was established by a vote of the Town Meeting. This committee was instructed to study the building needs of the town and submit at the next Town Meeting a report setting forth their findings and recommendation. This report was duly submitted.

As of January 1, 1963 all major recommendations embodied in the above mentioned report had been carried out. May we recapitulate briefly the accomplishments of the Town of Hooksett, that came as a result of this study and further implemented by the progressive attitude of all the citizens of Hooksett.

- (1) The establishment of Capital Reserve funds, by both the Town and the School District.
- (2) The reconstruction of the Town Hall, to furnish adequate and splendid facilities for the conduction of Town affairs, such as Town Officers' quarters, a new Police facility and the finest Municipal Court Room in the State of New Hampshire.
- (3) The construction and placing in operation of a new school that not only meets the needs of our present population but has provided for future growth.
- (4) The renovation of the heating system Fire Department #2.
- (5) During last year, the transfer of Fire Department #1 to the old Town Garage was made possible by the start of construction of new garage facilities, large enough to meet the needs of both Town and School District.

Certainly the growth of public enterprises in the town of Hooksett has been substantial, but the astonishing fact about the whole situation, is that these accomplishments have taken place with little change in our tax structure. This situation can only be explained by the fact that year after year more people and more commercial and industrial enterprises are attracted to the progressive Town of Hooksett. This is a trend that every civic minded citizen of this community must promote, if continued progress is to be maintained.

This Board of Selectmen believe that we have achieved a measure of progress in the Town of Hooksett, and we also believe that in order to maintain this progress that a definite long range program for certain of the town departments must be instituted. For example:

(1) Highway Department: We assume that everyone is aware that as of January 1, 1963, that the resignation of our Road Agent, George A. Cook became effective. Mr. Cook had served as the elected Road Agent of this Town for a period of thirty consecutive years. Needless to say, a void has been created that to say the least, will be difficult to fill. Obviously this report is not the place to discuss the qualifications of any person who may aspire to the elective office of Road Agent, on the other hand, the quality of our highway system is a very definite factor in the growth, development and progress of our Town, therefore, after careful consideration and thought, this Board of Selectmen have arrived at the conclusion that the best interests of the Town will be served by making the office of Road Agent appointive rather than elective and consequently an article to authorize this change will be inserted in the 1963 Town Warrant. The reasons for our conclusions may be summed up as follows:

- (a) The responsibility for the care and maintenance of our highway system will be more firmly fixed.
- (b) A definite plan, covering a period of years, for the extension and improvement of our highway system can be devised and put into effect. A plan of this type would not only tend to improve the system but would best serve the economic interests of the Town.
- (c) If the office were appointive rather than elective, it would be a fairly simple matter in the future, to convert the highway department to a Department of Public Works, that would encompass Parks and Playgrounds, Rubbish Removal or any other function that would properly come under the heading of Public Works.

(2) Fire Department: The steadily increasing value of private property within the town of Hooksett, may soon force the citizens of this town to take a long look at the adequacy of our Fire Departments. We do not mean to detract from the excellent job now being done by Chiefs Law and Lambert and the dedicated volunteers of their respective departments, but it should be obvious to everyone, that in the near future it will be necessary to obtain new equipment and possibly to maintain permanent personnel at both stations. These requirements may be necessary to maintain the high degree of protection that we now enjoy.

(3) Police Department: The same situation exists and the same facts apply to our Police Department as to our Fire Department. The possibility that our Police Department may require the services of permanent personnel and additional equipment is not remote. We believe that this possibility will become a necessity in the near future, if the people of Hooksett are to continue to have the proper protection of life and property that they have the right to expect.

The above mentioned items are facets of our town government which we feel must receive constant and progressive planning in the years immediately ahead, if we are to maintain a sound economic growth and a somewhat stabilized tax structure.

The provision of all articles voted upon in the affirmative in the 1962 Town Warrant have been carried out. The new rubbish disposal unit has been in operation since early summer of 1962 and is doing an excellent job in making "Hooksett A Good Place in Which to Live". Elsewhere in the town report, you will find an accounting of the activities of the newly created Cemetery Commission. The work of this Commission has been highly commendable. The Selectmen wish to take this opportunity to publicly record their thanks to the members of this Commission and to register their appreciation for a job well done. Surely, no obstacle in the path of progress is too great to surmount as long as the Town of Hooksett can command the dedication of men such as Mr. LaPlante, Mr. Gould and Mr. Thompson of the Cemetery Commission.

As we prepare to close this report, may we extend our heartfelt thanks and appreciation to all elected and appointed officials, for your splendid help and cooperation during the year just past, your attitude should be an inspiration to every citizen of this town.

In closing, let us remind you that Tuesday, March 12, 1963 is Town Meeting Day. The meeting will be held at the New Memorial School and action on the Town Warrant will take place in the evening of Town Meeting Day and will start at 7:00 P.M. Will you try and make an extra effort to be present. Remember that your Town meeting is "True Democracy in Action" and you citizens of Hooksett, are a very integral part of this democracy.

Sincerely yours,

OSCAR MORIN, JR.

# Town Warrant

## THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in Town affairs. You are hereby notified to meet at the Hooksett Memorial School Auditorium, in said Hooksett on Tuesday the twelfth (12th) day of March, next at ten of the clock in the forenoon, to cast your ballots for Town Officers. Polls close at 6:30 P.M., action on remainder of warrant starts at 7 P.M.

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Town will vote to give a discount of two (2%) per cent on all taxes, except poll taxes, paid on or before the fifteenth (15th) day of July, and to grant the Selectmen authority to extend this date if unable to get tax rate from State Tax Commission as of July 1st.
3. To see if the Town will authorize the Selectmen to hire money in anticipation of the 1963 taxes, to be repaid therefrom.
4. To hear the reports of the Selectmen, Town Treasurer, Agents, Auditors and Committees, or other officers heretofore chosen or appointed, and to pass any vote relating thereto.
5. To see if the Town will vote to raise and appropriate the sum of five hundred thirty-two dollars and seventeen cents (\$532.17) the State to furnish three thousand five hundred forty-seven dollars and eighty-one cents (\$3,547.81) the same to be expended under the State Highway Department for Class V Town Road Assistance, or take any action thereto. (APPROVED BY BUDGET COMMITTEE)
6. To see if the Town will vote to raise the Town Treasurer's salary from its present \$300.00 per year to \$400.00 per year. (APPROVED BY THE BUDGET COMMITTEE)
7. To see if the Town will vote to raise the Selectmen's salary from its present \$600.00 for the Chairman and \$550.00 for the other two members to \$700.00 and \$650.00 respectively. Inserted by petition. (APPROVED BY BUDGET COMMITTEE)

8. To see if the Town will vote to raise and appropriate a sum not to exceed five thousand five hundred dollars (\$5,500.00) for the purchase of a new town dump truck. This sum to be borrowed on the credit of the Town and amortized over a period of three years, and the yearly payments to be withdrawn from the Capital Reserve Fund of the Town. (APPROVED BY BUDGET COMMITTEE)

9. To see if the Town will vote to discontinue the election of its Road Agent by ballot and authorize the Board of Selectmen to appoint the Road Agent at the expiration of the term of the Road Agent elected at this meeting; said authority to appoint to continue until such authority is changed by vote of the Town.

10. To see if the Town will vote to establish a recreation commission as outlined in State Statutes 1955-section 31-44 to 31-48, titled Public Playgrounds, Section 31-47 Commission. If any Town shall decide the above powers shall be exercised by a recreation commission, it shall consist of five citizens of such municipality, who shall serve without pay. The two persons first appointed shall serve for three years; the two persons next appointed for two years; the fifth person appointed for one year. Their successors shall be appointed for three years. Vacancies as they occur shall be filled for the unexpired term only.

11. To see if the Town will vote to amend Section 2 of All Night Parking Ordinance by deleting all of this section and substituting the following:

Penalty:--If any person violates the provisions of this ordinance, he or she shall be fined not more than twenty (\$20.00) dollars. The term all night means that time between 11 P.M. and 6 A.M.

12. To see if the Town will vote to adopt the following ordinance relative to the regulation of dogs:

1. PROHIBITION:--No owner or keeper of a dog, or dogs, shall permit such dog, or dogs, to remain outside his home, whether confined or not, between the hours of 10 o'clock P.M., and 5 o'clock A.M., if such dog or dogs shall disturb the peace of the neighbors by reason of loud barking or other undue noise. All kennel owners shall keep their dogs confined indoors between the hours specified herein.

2. WARNING:--Any person disturbed by the failure of any

owner or keeper of a dog, or dogs, to comply with the provisions of section one hereof, may petition the Board of Selectmen, in writing, to require such compliance. Upon receipt of such petition the Board of Selectmen shall cause the Police Department to serve a written warning on the dog owner or keeper so complained of, ordering compliance with this ordinance.

3. PENALTY:--If any person upon whom a warning has been served, as provided in section two hereof, shall refuse or neglect to comply with the order contained in said warning for forty-eight hours after such service, he shall be fined ten (\$10.00) dollars for each such offense.

4. TAKES EFFECT:--This ordinance shall take effect upon its passage.

13. That no equipment owned by the Town of Hooksett, including trucks, buses, snow removal equipment, etc., be used by any and all private or business property without express permission by the Selectmen and without being charged for any use at about the same hourly rate being charged by private concerns. Minimum charge to be for at least one hours time. Inserted by petition.

14. On receipt of petition by two-thirds of any abutters to a trailer park, owners of said trailer park shall fence in their property with a chain link fence, not less than five feet high, in an approved manner. Abutters being owners of or occupants of any property within 300 feet of any portion of trailer park. Park owner shall fence his property within six months after being notified by Selectmen.

15. Valuation of all individual property shall be printed in Town Reports, or separately, every three years. Changes in valuation to be so marked. Printing to follow format used when State or New Hampshire reassessed property in Hooksett. Inserted by petition.

16. A committee of five, to be appointed, to study the possibility of using town or private property for recreational use in summer or winter, such as swimming, picnicking, skiing, skating, etc., as there is a shortage of such facilities at present for children or adults. An appropriation of \$100.00 to \$500.00 to be used in making this survey. Inserted by petition.

DISAPPROVED BY BUDGET COMMITTEE

17. To see if the Town will vote to accept the Budget as submitted by the Budget Committee, or take any other action in relation thereto.

18. To see if the Town will vote to amend Article 111, Section B. of the Hooksett Zoning Law by striking out the words "Two years" in the third line thereof and substituting the words "One year" so that the first sentence of said section shall read as follows:

"No owner or occupant of land in any District shall permit fire, or other ruins to be left, but shall remove the same to ground level within one year, except in case of hardship an extension of time could be granted."

19. To see if the Town will vote to amend Article 111, Section H, by striking out the Heading thereof and the whole of Paragraph 1 thereof and substituting therefor the following new heading and new paragraphs.

#### H. MOBILE HOMES.

1. Every mobile home occupied as a dwelling in the Town of Hooksett shall be located in a licensed Mobile Home park, except as provided in Paragraphs 2 and 3 below.

2. The provisions of this section shall not apply to the continued use and occupancy of any mobile home used as a dwelling as of the date of the passage of this Section, nor to a mobile home hereafter acquired as a replacement by the owner of a mobile home so used. Provided, however, that if a mobile home occupied as a dwelling as of said date shall be moved from its present location, the subsequent use of such mobile home must comply with the provisions of Paragraph 1 of this Section.

3. Any property owner or lessee may accommodate the mobile home of a non-paying guest for a period not exceeding thirty (30) days in any one year. Provided that in cases where hardship would otherwise result the Board of Adjustment may make extensions of time for such occupancy for a period not to exceed six months for each such extension, upon a finding that such extension will not be detrimental to the neighborhood.

20. To see if the Town will vote to further amend Article 111, Section H. as follows:

A. Insert the following new heading before Paragraph 2 of said section so that Paragraphs 2 through 7 shall be a part of said new heading.

#### I. MOBILE HOME PARKS.

B. Add the following new paragraph under Section I as inserted by the preceding amendment.

1. Mobile Home Parks may be located in a commercial district, and in no other district in the Town, provided they meet the requirements of this Ordinance.

C. Delete the whole Paragraph 4A and substitute the following new Paragraph therefor.

A. Each mobile home space shall contain a minimum of 10,000 square feet and shall have a frontage of not less than one hundred feet on a roadway of not less than 40 feet, if off-street parking is provided, otherwise 50 feet. Such spaces shall be clearly defined and mobile homes shall be so parked as to comply with the front yard, side and back yard requirements for residences in a Residential district.

D. Delete the following sentence beginning on line 11 of Paragraph 3, "Sewage disposal by means of individual septic tanks for each mobile home is prohibited unless the space provided for such mobile home shall not be less than 10,000 square feet, with a frontage of not less than 100 feet."

E. Delete the words "Trailer and/or" where-ever they appear in Paragraphs 2 through 7 of said Section.

F. Add the following new Paragraph at the end of said Section.

#### 8. LICENSES.

A. No Mobile Home Park, whether newly constructed or presently existing, shall be operated after the date of the passage of this amendment until it shall first have been licensed to operate by the Board of Selectmen.

B. Mobile Home Park licenses shall be issued, without fee, by the Board of Selectmen, upon application of the owner of the Park, annually, and shall expire on the 15th day of March following their issuance. Such licenses must be posted in a conspicuous place on the premises at all times.

C. Applications for licenses shall be made annually and shall show the name and address of the owner of the Park, the location of the Park, the number of mobile homes presently located there, the number of spaces available and such other information as the Selectmen may require. The first such application shall be accompanied by a plan of the park drawn to scale, showing the location of streets, mobile home spaces, drainage, sanitary and water facilities and all renewal applications shall be accompanied by information as to any changes in the original plan, or in the discretion of the Board of Selectmen, a new plan when such changes are numerous.

21. To see if the Town will vote to amend Article VI of the Zoning Ordinance by adding the following new section at the end thereof:

#### F. LOT AREA REQUIRED.

1. The lot area, where a public water supply is available, shall not be less than 10,000 square feet and the frontage of such lots shall not be less than 100 feet.

2. The lot area, where a public water supply is not available, shall not be less than 22,500 square feet and the frontage of such lots shall not be less than 150 feet.

22. To see if the Town will vote to amend Article XV, Section B. of the Zoning Ordinance, by adding the following sentences at the end thereof:

"The term public right-of-way, as used herein, shall include any private right-of-way which is not less than 40 feet in width and which is in a location approved by the proper Town authorities, so that it could, by compliance with the Town's Ordinance regarding new streets and extensions of existing streets, become a public street at some time in the future."

23. To see if the Town will vote to amend Article XV of the Zoning Ordinance by adding the following new section at the end thereof:  
O. Mobile Home. Any vehicle or structure, twelve feet wide or less, so designed or constructed in such manner as will permit occupancy thereof as living quarters for one or more persons, and so designed that it is or may be mounted on wheels, whether demountable or not, and used as a conveyance on highways or town streets, propelled or driven by its own or other motive power.

Given under our hands and seals this eighteenth day of February, in the year of our Lord, nineteen hundred and sixty-three.

Selectmen of Hooksett, N. H.

ABSTRACT OF ACTION ON ARTICLES IN WARRANT,  
MARCH 13, 1962 TOWN MEETING.

Meeting called to order at the Fairlane Ballroom by Moderator George A. Cook at ten o'clock in the forenoon. Moderator read that portion of the Warrant calling for the time and place for this meeting. Balance of the Warrant read upon calling to order for action on the various articles in said Warrant at seven o'clock in the evening. Polls were declared open for voting for Town Officers at 10:05 A. M.

ARTICLE 1. Officers chosen in open meeting not on the ballot: Surveyors of Wood and Lumber: Walter Scott and Alfred Rousseau. Weighers of Commodities: Homer Enderson, Rutger Broek, Leslie M. Pike, John Bates, Roland Casey, James Gilbert and Edward O'Connor. Fence Viewers: George A. Cook, Walter Scott, George Blakeslee and Edward DuDevoir. Oscar Morin, Jr. moved to pass over election of Hog Reeves by reason of no further use of such officers, and it was so voted.

ARTICLE 2. Upon motion of Leslie M. Pike, it was voted to give a discount of 2% on all taxes except poll and head if paid on or before the 15th of July and to grant the Selectmen authority to extend this date if unable to get rate from the State Tax Commission as of July 1st.

ARTICLE 3. Upon Motion of Wilfred Buck, duly seconded, it was voted to authorize the Selectmen to hire money in anticipation of the 1962 taxes, to be repaid therefrom.

ARTICLE 4. Wilfred Buck moved to adopt the reports of the Selectmen and other Town Officers, as printed in the Town Report, and it was so voted.

ARTICLE 5. Moved by Nelson Lambert to raise \$526.59 by the Town, the State to furnish \$3510.61 to be expended on Class V under Town Road Assistance, and it was so voted.

ARTICLE 6. Moved by John R. Broek to increase the salary of the Selectmen \$100.00 each, seconded and so voted.

ARTICLE 7. Nelson Lambert moved, seconded by Richard Hemeon, that the town purchase a new Town scavenger truck for a sum not to exceed \$10,000.00 this sum to be borrowed on the credit of the town and amortized over a five year period, and the yearly payments be withdrawn from the Capital Reserve Fund of the Town. Action on this article was in the affirmative.

ARTICLE 8. Upon motion of Alfred Colletette, seconded by George Goulet, it was voted to raise and appropriate the sum of \$1,975.00 for a new engine and fire pump for engine #3 of the South Hooksett fire department, and to repay the balance on the heating system.

ARTICLE 9. Alfred Lambert moved, seconded by Nelson Lambert, that the sum of \$250.00 be raised to build a public boat launching ramp on the Merrimack river, to be installed on land owned by the Town, formerly used as a refuse site, and it was so voted.

ARTICLE 10. George Goulet moved to adopt, seconded. Oscar Morin, Jr. gave explanation for reason for this article, indicating that if this article was adopted, the Town would be required to supply the amount mentioned, otherwise not. This article authorized the Selectmen to file, on behalf of the Town, an application, in the form and manner required by the United States, and in conformity with Public Law 560, 83rd Congress, as amended, and to enter into such negotiations and do whatever else is required for an advance, in an amount not to exceed thirteen thousand dollars, to be made by the United States to the Town of Hooksett to aid in defraying the cost of surveys, reports, and plan preparation for sewage and sewage treatment facilities for the Town of Hooksett. Action on this article was in the affirmative.

ARTICLE 11. Upon motion of Donald Botsford, duly seconded it was voted to sell the building known as fire station #1 of the Hooksett fire department, to the Hooksett Village Water Precinct for the sum of \$5,000.00

ARTICLE 12. On motion of Leslie M. Pike, seconded by Donald Cochrane, it was voted to raise and appropriate the sum of \$15,000.00 for the construction of a new town garage on an area owned by the Town known as the Lefebvre Lot, the apportionment of said sum to be as follows:

- A. \$5,000.00 derived from the sale of fire station #1
- B. \$4,000.00 paid into the Town Treasury by the School Dist.
- C. \$6,000.00 appropriated by the Town.

ARTICLE 13. Upon motion of Leo Belisle, duly seconded, it was voted to convert the present town garage to a fire station, to be utilized as such by Hooksett Fire Dept. #1. Selectman Leslie M. Pike intimated that the fire department expects to do considerable work on its own account, and that no town funds would be necessary during the current year.

ARTICLE 14. Moved by Leo LaPlante, seconded by Nelson Lambert, to establish a Cemetery Commission consisting of three members, appointed by the Selectmen, to be responsible for the general administration of the Town's cemeteries, including their operation and maintenance, the sale of lots and maintenance of such records as shall be required by the Board of Selectmen and by R.S.A. 289:4. Put to a vote by the Moderator, article declared adopted.

ARTICLE 15. Upon motion of Oscar Morin Jr, duly seconded, it was voted to donate the dishes, silverware and other cooking utensils formerly used at the Town Hall, to the Hooksett School District.

ARTICLE 16. To see if the Town will vote to amend the New Streets and Extensions of Existing Streets Ordinance by deleting Section 1, Paragraph B, and inserting in its place the Following:  
Section 1, Paragraph B.

All new streets or extensions of existing streets shall have a roadway twenty feet in width, properly graded and graveled to a depth of twelve inches. In addition, shoulders must be graveled to a depth of not less than eight inches.

If curbing is installed, roadway shall be graded from curb to curb to a depth of not less than twelve inches.

Slopes shall be graded and guardrail installed, where necessary, in accordance with State of New Hampshire Department of Public Works and Highway Specifications.

Moved by Oscar Morin, Jr., duly seconded, that the foregoing amendment be adopted and so voted.

ARTICLE 17. Motion made and carried to amend the Streets and Extension of Streets Ordinance by adding the following to Section 1, Paragraph D:

This includes any and all utilities other than public utilities, such as electric, gas and telephone.

ARTICLE 18. Upon motion of Oscar Morin, Sr., duly seconded, it was voted to adopt the budget as submitted by the Budget Committee.

Moved by Wilfred Buck and supported that a vote of thanks be extended the Selectmen of the town for their untiring efforts in relation to their endeavors for a new post office for the Town of Hooksett, the presentation of a fine Town Report for 1961 and efforts in their behalf of installing the Municipal Offices in the Town Hall Building.

Action having been taken on all articles in the Warrant, voting on same as well as for Town Officers on the ballot, was declared adjourned by the Moderator at 7:30 P. M.

Following the sorting and counting of the ballots cast at this meeting, Moderator made declaration of the result in open meeting as follows:

Total number of Ballots cast .....	383
For Selectman for three years

Those having a plurality of votes as well as those unopposed were declared by the Moderator to be elected and were duly sworn to their various offices. Meeting declared adjourned at 8:53 P. M.

A True Record, Attest -

CHARLES R. HARDY  
Town Clerk

## REPORT OF THE BUDGET COMMITTEE

### TOWN BUDGET

The first meeting of the Budget Committee was held on January 22, 1963 at which time itemized reports of the 1962 expenditures were presented by the various town department heads. These were discussed and accepted. The budget requirements for 1963 were then presented for acceptance. These were reviewed and found to be in proportion to the annual growth of the Town. The total increase for the Town budget amounted to less than \$7,000.00. One of the increases included \$1,000.00 for the Village Fire Department to cover expenses incurred in moving to their new fire station sometime this year. It should be mentioned that through the generosity of its members by returning all of the payrolls during 1962 a saving of approximately \$1,500.00 was realized and this will be added to the \$1,000.00 mentioned above, the total amount to be used for necessary repairs and alterations to the new fire station. The over-all town maintenance was increased by \$4,500.00. An additional \$1,000.00 was asked for by the Cemetery Commission, and was granted. This Commission which was established last year is doing a magnificent job in an effort to eliminate the deplorable conditions existing in our cemeteries.

Increases in Salaries of Elected Personnel: Increases in salaries for the members of the Board of Selectmen covered in Article #7, for the Town Treasurer under Article #6, and for the members of the School Board covered under Article #2 of the School District warrant were all approved as submitted. It must be realized that all of these elected officials receive very little by way of compensation for the work which is required of them from year to year and the continued rapid growth of the town definitely increases their work load.

Article #8. Town Truck: This article pertains to the purchase of a new town dump truck. The one presently in use is considered beyond repair and a hazard to the employees. As was indicated a considerable amount was spent in the past year to keep this truck in running condition, the amount spent far exceeding the value of the unit. It was the unanimous opinion of the Committee that the only solution was the purchase of a new truck and so this article was approved.

Article #16. Recreation Committee: This article calling for an appropriation of from \$100.00 to \$500.00 was disapproved by the Budget Committee. Let it be known that this Committee is unanimously

in favor of additional recreational facilities and the reason for disapproval is that this is covered under Article #10 which is to establish a Recreation Commission under the State Statutes. It is felt that our first needs are to establish this Commission within the legal requirements necessary.

Capital Reserve Fund: The appropriation for the Capital Reserve Fund to be used for the replacement of town equipment was increased again this year by an additional \$1,000.00. This procedure of pre-planning for the replacement of equipment which was started some three years ago has enabled us to purchase a new garbage disposal unit without the payment of interest and the purchase of the new town dump truck will also be paid for in this manner, thereby saving approximately \$1,000.00 in interest

### WATER PRECINCTS:

A review of the expenditures and the proposed requirements of the Village and Central Water Precincts showed that these two departments and the people within the precincts will enjoy a decrease in precinct taxes for the year 1963. A comparison of budgets indicated a decrease of \$2,014.00 for the Central Water Precinct and a decrease of \$7,324.25 for the Village Water Precinct. It was also noted that the Village Precinct has followed the recommendation of the Budget Committee and had their audit accomplished by the State of New Hampshire, Division of Municipal Accounting. It is hoped that the Central Precinct shall see fit to follow this recommendation this year.

The Budget Committee wishes to commend the elected officials of the two Water Precincts for the frugal manner in which they are operating and discharging their responsibilities for the benefit of the citizens within those precincts.

### SCHOOL DISTRICT:

The meeting for the presentation of the School District budget for the year 1963-64 was held on February 7th, with all members of the School Board present. All items pertaining to school expenditures were presented and comparison made with appropriations for the preceding year. It should be noted that comparisons of actual expenditures cannot be made because the school budget operates on a fiscal year basis and at the present time there is remaining approximately one-half of the school year for which expenditures are yet to be made from the 1962-63 budget. Because of this the only compari-

son of actual expenses which could be made would be with the 1961-62 budget and with the present growth in school population and the increases in expenses this would not be satisfactory. The accepted budget shows an increase of \$21,675.84. The increases were in two categories only, in tuition and teachers' salaries. A review of the budget left no doubt in our minds that the School Board had spent considerable time to keep their budget down to the necessary requirements for efficient operation.

Article #2. Increase in Salary: See "Increases in Salaries of Elected Personnel" under Town Budget.

Article #5. High School Study Committee: This article to appropriate the sum of \$500.00 to be used for any necessary expenses by the High School Study Committee as set up in Article #4 was approved by the Budget Committee. The members of the Committee, including that member representing the School Board, are agreed that at the present time the Town of Hooksett is not in a position to build and staff a high school which would offer the students the same opportunities now afforded them in the larger and already established schools to which they have access. However, we know too that this is a problem which will have to be approached in the not too distant future and it is the feeling of the Committee that a comprehensive study should be made of this problem. If this Study Committee as designated in Article #4 is to secure the desired information a sum of money should be appropriated for such use.

Article #6. School Bus: This article for the purchase of an additional 73 passenger bus was disapproved by the Budget Committee. The reason for disapproval was not due to belief that it was not required but for the manner in which payment was to be made. A discussion of this article revealed that it would be possible to handle our transportation requirements with the existing facilities for another year. The Committee has approved an additional appropriation of \$2,000.00 for the Capital Reserve Fund and has asked the School Board to submit an article next year for the purchase of an additional bus, to be paid from Capital Reserve, thereby eliminating the payment of interest on a Bond Issue.

In closing our report we wish to state that in spite of the efforts made to create interest in attendance at the Open Budget Meeting it was very poorly attended, with only 44 taxpayers present. A final analysis of the over-all budget appropriations reveals a total increase of approximately \$33,500.00, which seems to be in line with the town growth.

The Budget Committee wishes to thank the members of the Board of Selectmen, members of the School Board, and all other department heads for their cooperation and assistance. We also wish to express our thanks to Richard Hemeon for his kindness during the Committee meetings held at the Municipal building.

Sincerely,

Leon C. Boisvert, Chairman

OSCAR MORIN, JR.  
 JAMES G. FOLLANSBEE  
 LESLIE M. PIKE  
 Selectmen of Hooksett, N. H.

Gentlemen:

The cemetery at Martins' Ferry has never looked better in the 70 years we have had lots there. I am sure that all of the lot owners join me in saying "thank you".

It is good to know that the cemetery is being well taken care of after so many years of neglect. Thank you again.

Very truly yours,

H. E. Stone

## REPORT OF CEMETERY COMMISSION

Established April 27, 1962

With the help of George Cook, the three commissioners made a physical survey of all cemeteries. We found Heads Chapel at said cemetery in very poor condition. The monuments and markers at Heads needed to be lined up and straightened. The roadways and avenues needed to be seeded down. Many graves were caved in and needed to be filled. The new extension and development at Heads Cemetery needed to be harrowed and seeded. All these things were completed as much as finances permitted. Also we extended a new fence at Heads new development and painted the old fence as well as the new. We also caulked the vault to stop leakage in same. The iron door of the vault was scraped down, sanded and painted so as to stop oxidization and the sign was repainted.

The Cate-Davis Cemetery at Hackett Hill was in fair condition. We observed that the pine trees bordering this cemetery needed to be pruned so as to permit the cemetery to be kept cleaner of branches, pine needles and cones. A few graves needed to be filled. All this was done according to our plans.

At Riverside Cemetery, bordering Route 3-A, the graves and markers were in pitiful shape. The fence needed painting and repair. The back of the cemetery was all brush and needed spraying, cleaning and cutting. There are a few lots for sale at this cemetery but they must first be prepared. We found the brush four feet in height in saleable area. Many graves needed to be filled. Thanks to our crew of hardy and good workers, all of this was accomplished in due time. This cemetery will need a lot more work and attention in 1963.

Martins Cemetery off Benton Road -- This cemetery we found in poor condition also. Many of the graves needed filling. In the older part of the cemetery, a blueberry patch had overgrown the stones and markers. Some trees had grown next to the monuments and thru the years had made these monuments collapse. Another crew of diligent and hardworking men cleaned up this cemetery. The roadways and avenues of this cemetery must get a lot of attention in 1963.

We on the Cemetery Commission wish to thank all of the people of Hooksett for their fine cooperation last year and we want to remind you, quoting Gladstone, that --

"Show me the manner in which a nation or community cares for its dead and I will measure with mathematical exactness the character of its people, their respect for laws of the land, and their loyalty to high ideals."

We are sorry that we must report vandalism in our memorial shrines. Someone, at times, used Martins and Heads Cemeteries as a parking area. The police of the town as well as the state have been alerted of this. We hope that all people concerned will respect the living and the dead and keep our memorials sacred.

Respectfully yours,

CLIFFORD THOMPSON  
ERNEST GOULD  
LIONEL F. LA PLANTE  
(Chairman)

P. S. "New Announcement"

In 1963, graves will be sold at all cemeteries where plots are available on a time payment basis or for cash. As you all know, graves are now sold with a "guaranteed" perpetual care plan and at \$100.00 per grave. See the commissioner of your choice, arrange for payments to suit your budget, and keep a watchful eye on the care of your plot or plots. When payment is received in full, a deed to the property will be issued to owner.

There is a very human tendency to postpone those matters, however vital, which can be considered at a later date. In no instance is this more apparant than in matters related to funeral service and selection of cemetery plots, although planning is done on a variety of other subjects -- the preparation of wills, trust funds, purchase of life insurance, etc.

It has been said, appropriately, that funerals and burying places are for the living -- so, please do not delay. We will be obliged to serve you.

"Your Cemetery Commission"

# REPORT OF BUILDING PERMITS

## PLANNING & DEVELOPING COMMITTEE

The Planning and Developing Committee have held nine meetings in 1962 plus other meetings with various committees. This Committee is comprised of seven members: Chairman Oscar Morin Sr., Russell Carter, Norman Wright, Nelson Lambert, James Follansbee, Ralph Page and Roland Levesque.

Much discussion and study has been spent by this Committee relative to drawing up changes in the Town Zoning Ordinance which they feel should add to the betterment of our Town in future years. These proposed changes will be discussed at a Public Hearing on February 6th and voted on at the next Town Meeting.

Land usage, rezoning of land areas, housing developments and subdivision have been of utmost importance to this committee. The Planning and Developing Committee have also helped in the study of proper sewerage for our Town.

Respectfully submitted,

Dorothy M. Squire, Clerk

## THE FIGHT FOR FREEDOM

Long before Khrushchev made his historic statement, "We'll bury you," Lenin said of America, "It will fall into our hands like an overripe fruit." Today many people are looking with horror at the fact that it could happen.

Like a creeping red fungus, Communism moves across the map of the world, in one place quickly, in another slowly, sometimes darting in in a rush, sometimes circling, surrounding, leaving an island that slowly disappears. But it comes onward, onward, onward while many of us stand and stare like people watching floodwaters, fascinated, fearful and all but hypnotized into inactivity.

Communism is a fungus. It rots the moral fiber of a human being and takes the God out of man, leaving a shell, a unit, a machine that is the property of the state. But Communism has an appeal, particularly in the underdeveloped countries of the world where men are willing to barter ballots for bread, and in those other countries where there is oppression, discrimination and the frustration of inequality that rub so harshly that people will take any means of overthrowing the old order.

Communism offers land to the landless, food to the hungry, power to the powerless, but like making a deal with the devil, it demands the soul in return. Like Faust, many people feel that they will be able to put off the day of reckoning, only to find, when it's too late, that the day is come.

In one kind of country, Communism can't win: one that is morally strong and firm in its belief in God and the worth of man; firm enough to fight and die for this belief if necessary. You can help to build this strength, this belief, this pride. Start today. Sit down tonight with your youngsters and talk with them about what it means to be free. During the coming holidays fly an American flag, not as a decoration, but as a symbol of your belief in the things for which it stands.

"Some other day . . . . ." may be too late.

# ZONING BOARD OF ADJUSTMENT

The Zoning Board of Adjustment is comprised of five members, Chairman Adelard Gagnon, Oscar Morin Sr., Guy Campbell, Robert Tuttle and Donald Pearson.

Three members attended the annual Zoning Meeting of the State which was held in Concord.

Fourteen requests for variance have been brought before the Board in 1962. (#61 through #73).

Requests granted #61-62-63-64-65-67A-71-72-73

Requests denied #66-67B-68-70

Requests pending #69

Four requests have been for erecting trailers and building houses not on Right of Way.

Four requests have been made to erect signs.

Two requests for trailers due to illness.

One request for inadequate frontage.

One request for removal of loam.

One request on side yard varlance.

One request to erect temporary buildings on wood piling.

Zoning meetings are scheduled to be held on the third Tuesday of each month when there are requests to be brought before the Board. These meetings are held at the Conference Room, Town Hall.

Respectfully submitted,

Dorothy M. Squire, Clerk

# REPORT OF THE ROAD AGENT

To the Honorable Board of Selectmen and Citizens:

I herewith submit for your approval my thirtieth and final annual report as Road Agent for the year ending December 31, 1962.

## FOREST FIRES

Labor	\$ 506.02
-------	-----------

## RUBBISH COLLECTIONS

There has been an increase in the number of families throughout the year. At the end of the year we were picking up from 980 families and the four Trailer Parks with 124 families and also 51 business places.

Labor	\$ 6,636.48	
Fire Guard and Police	960.00	
Supplies	<u>1,703.88</u>	
		\$ 9,300.36
Credit Receipts		<u>3.75</u>
		\$ 9,296.61

## SUMMER MAINTENANCE

We have used 1337 tons of gravel and 75 tons of sand. 82 feet of culvert and 4 manholes have been laid. There are now 120 manholes and 341 culverts to be maintained by the town on town roads.

Labor	\$ 9,539.06
Truck hire	1,093.80
Supplies	<u>3,336.27</u>
	\$ 13,969.13

## WINTER MAINTENANCE

We have used 120 tons of salt and 1,295 tons of sand and gravel in the maintenance of town roads during the winter.

Labor	\$ 5,824.54
Truck hire	1,964.80
Supplies	<u>6,093.42</u>
	\$ 13,882.76

## Credit:

Sewer repairs	105.00	
Truck, labor, salt & material	864.92	
Road Toll Refund	<u>58.57</u>	
		<u>1,028.49</u>
		\$ 12,854.27

## GENERAL EXPENSE

Supplies	\$ 3,007.61	
Telephone	129.15	
Public Service	29.29	
Flagman at Bridge	<u>938.27</u>	
		\$ 4,104.32
Credit:		
Refund from State		
Flagman at Bridge & S.S.		<u>967.58</u>
		\$ 3,136.74

## PARKS & PLAYGROUNDS

Labor	\$ 21.00	
Trucks	101.00	
Supplies	204.12	
Water	10.52	
Public Service Co.	<u>75.05</u>	
		\$ 411.69

## NEW CONSTRUCTION

We used 828 yards of gravel, six yards loam and 4000 gallons asphalt on rebuilding Pinnacle Street 900' by 20' wide, Donald Street 300' by 20' wide, Burt Street 900' by 34', Otterson Street 350' by 34' and Morrill Rd. 3160' by 20'. 428' of side drain was laid on Morrill Rd. and 3 culverts were extended 8 feet.

Labor	\$ 793.93	
Trucking & Power Shovel	794.40	
Supplies	<u>3,589.35</u>	
		\$ 5,447.68

## RESURFACING

We have used 2905 gallons Mc3 and 280 tons of plant mix asphalt to repair black top roads.

Trucking	\$ 280.29	
Supplies	2,866.48	
Labor	252.21	
		\$ 3,398.98

MATERIALS ON HAND JANUARY 1, 1963

Salt	\$ 160.00	
Tires	148.00	
Cutting Edges	126.00	
Grease & Oil	186.00	
Culvert pipe	80.00	
		\$ 700.00

 1962 Diamond T. Truck and Load Packer

GEORGE A. COOK  
 Road Agent

"FIREMEN DON'T HAVE A CHANCE"

When the fire trucks are delayed 40 seconds in traffic, people say: "It took them 20 minutes to get here."

When the truck races at 40 m.p.h., it's "look at those reckless fools."

When four men struggle with an eight-man ladder: "They don't even know how to raise a ladder."

When firemen open windows for ventilation to reduce heat in fighting a fire: "Look at the wrecking crew."

When they open the floor to get at the blaze: "There goes the axe squad."

If the chief stands back where he can see and direct his men, people say: "He's afraid to go where he sends his men."

If they lose a building: "It's a lousy department."

If they make a good "stop" folks say: "The fire didn't amount to much."

If lots of water is necessary: "They are doing more damage with water than the flames."

If a fireman gets hurt: "He was a careless guy."

If a citizen gets hurt: "It's a crazy department."

If a fireman inspects a citizen's property: "He's meddling in somebody's business."

If he wants a fire hazard corrected: "I'll see the mayor."

If he gets killed and leaves a family destitute: "That's the chance he took when he joined the fire department."

## HOOKSETT VILLAGE FIRE DEPARTMENT

The Hooksett Village Fire Department is pleased at this time to list its statistics and expenditures for the year ending 1962.

### EXPENDITURES

New Equipment	\$ 127.18
Telephone	432.60
Lights	33.47
Fuel	250.62
Truck Maintenance	806.15
Payroll	278.00
Building Maintenance	39.92
Miscellaneous	96.62
Expenditures to March 1, 1962	460.45
Building Fund	<u>1,475.00</u>

\$ 4,000.01

#### 8 car fires

- 1 in front of the Hooksett Village Fire Station
- 1 at Riley's Motel.
- 1 at Robert Stewart's home.
- 1 located Route 3 A South.
- 1 located Route 3 A South - a stolen car.
- 1 located Route 3 A North - a truck fire.
- 1 located in front of Lambert's Market - a car fire.
- 1 located in front of Herbert LaSalle's home - a car fire.

#### 5 Brush Fires.

- 1 Rte 3 North, Head's Pond Area.
- 1 located back of Raytheon's.
- 1 River Road North.
- 1 Cross Road.
- 1 back of Village School.

#### 9 calls from fire tower and investigated.

- 1 call for Mutual Aid for help from the Concord Fire Dept.
- 1 call for Mutual Aid for help from the Manchester Fire Dept.

- 1 Rescue call saved 3 boys from Dubes Pond.

- 1 Electrical fire at the home of Mr. Turcotte, Granite St.
- 1 call to the China Dragon for a broken water main.
- 1 call at the Memorial School for a tar fire.
- 1 call for auto accident, corner Maple and Rte 3 A, wash gas off street and highway.
- 1 call at the Legion Home, furnace backfired.
- 1 washing machine fire.

- 1 Emergency call for the resuscitator.

This department answered a total of 32 calls.

We have during the year continued to improve our Fire Department with additional new equipment, and extensive training on fire fighting for both the senior and junior members of this fire department.

As Chief of this Fire Department, I wish to extend our sincere thanks to each and everyone who has helped to keep fires at a minimum in our community, which helps make Hooksett a better place to live.

Respectfully submitted,

CHIEF GERARD LAMBERT

## SOUTH HOOKSETT FIRE DEPARTMENT

### ANNUAL REPORT

After the resignation of Maurice Boisvert as Fire Chief in April of 1962, Alfred J. Law was appointed as new Fire Chief of the department by the Board of Selectmen. Leon C. Boisvert replaced Chief Law as Deputy Chief and Maurice Boisvert remained with the department as Captain.

Eight new members were accepted to the department during the year bringing the total active force to 28 men. These men were put on the active roll after completing the prescribed basic training course of the department under the direction of Deputy Chief Boisvert, drillmaster. New men accepted are: Patrick E. Larocque, Harlan Nelson, William E. Bussiere, Edward Meserve, Gerard Handley, James Law, Norman Morrisette and Henry Silkman.

In accordance with article #8 of the 1962 Town Warrant, a new engine and a new mid-ship centrifugal pump have been installed in Engine #3 bringing this apparatus to the necessary standards for fire apparatus and it should now remain in service for quite a number of years.

The first and second floors of the training tower were constructed during the year. Arrangements have already been made for the completion of the roof before spring. It is hoped that the entire tower including the hose drying facilities shall be ready for use early in 1963.

Through the cooperation of the Manchester Chapter of the American Red Cross seven members completed a refresher course on Advanced First Aid and were awarded new certificates. Attending the course were: Chief Alfred J. Law, Deputy Chief Leon C. Boisvert, Lt. Roland Levesque, Lt. Enver J. Silkman, Ladies Auxiliary member Evelyn Levesque and Police Officer Bernard Zapora.

In complying with Federal Communications Commission regulations which become effective in 1963, all of the department's radio sets were converted from wide band channel to the new narrow band channel during the year. This was accomplished by Lt. Enver J. Silkman, department Communications Officer and Mr. Armand Roberge.

The department responded to a total of 37 alarms during the year just ended which included two calls for mutual aid assistance, one from the City of Concord and one from the Town of Allentown. The valuation of property involved within the town amounted to \$102,500.00 with an estimated taxable property loss of \$2,175.00. A total of 383 manhours were required of the members. 27 of these calls occurred during the daylight hours and 10 during the night.

## PREVENTING FOREST FIRES IS OUR RESPONSIBILITY

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible \$5,545. In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another \$24,634. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can help to keep our fire loss low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control - pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to install in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 5 fires.  
We burned 15 acres.  
Permits issued - 72.

GEORGE A. COOK  
Forest Fire Warden

GERALD H. HIGHT  
District Fire Chief

JAMES G. FOLLANSBEE

JOSIE F. BEAN

INDUSTRIAL ADVISORY COUNCIL

The Industrial Advisory Council has done much in the year 1962 to promote our Commercial and Industrial potential. I am sure you are all proud of Hooksett, in the way it was presented by this Committee under the leadership of Arthur Donati, as a desirable location for the Technical Institute at the Public Hearing in Concord. While we did not secure the Technical Institute for Hooksett, members felt that the publicity we received had well repaid for time spent on this project.

This Committee has done much in securing a new Post Office for Hooksett, and plans for a new building in the Industrial Park.

Oscar Morin Jr., with the assistance of this Committee has compacted a brochure of the Town of Hooksett which we feel no doubt will bring New Industry into our Town. Over one hundred of these brochures have been sent out to Commercial and Industrial establishments who might be expanding or looking for a change of location and approximately five hundred cards have been sent out advertising Hooksett as a desirable location. We have already received requests back for further information.

Rutger Broek and Russell Carter are co-chairmen of this Committee. Other members are Lindsay Rice, Frank Cate, Leo LaPlante, George Blakeslee, Larry Boucher, Leslie Pike, James Follansbee and Arthur Donati.

Respectfully submitted,

Dorothy M. Squire, Clerk

# Civil Defense

It is a pleasure at this time, as your local director of Civil Defense, that I submit for your approval my sixth annual report on Civil Defense.

During the past year we had eight Civil Defense alerts, the alerts as listed: two severe storm warnings, four tornado alerts, one Class B hurricane alert which passed about two hundred miles east of the New England coast, and the Cuban Crisis alert which in my opinion was the most important Civil Defense alert we have received to date.

During the Cuban Crisis the staff personnel of the Hooksett Civil Defense were on a standby alert basis around the clock with instructions to report to Civil Defense Headquarters within traveling time should there be a strike within the Western Hemisphere. During this crisis we were in direct communications with the state office of Civil Defense via our newest type radio communication R A C E S.

One of the Duracrete Block Co. buildings has been chosen as a Federal Public Fallout Shelter. Signs will soon be erected as to the exact location of this building which will house up to fifty persons and will be completely stocked with food and sanitary equipment for a two week period.

One of our most important Civil Defense Units is our Radiological Monitoring unit, which is located and manned by trained members of the South Hooksett Fire Dept. As your local Director of Civil Defense, I feel that more people are likely to be affected by the fallout from a nuclear bomb than by the blast and heat of the bomb itself. Fallout is the settling back to earth of the radioactive particles produced by the bomb explosion. Danger from fallout is complicated by the fact that our sense can not detect it until it becomes dangerous. We must depend upon instruments to detect and measure its intensity. Three ways have been determined which provide protection from fallout: distance, time, and shielding. Distance and time are unreliable protection, there is no way to determine the scope of the fallout area and fallout material takes a long time to decay. The only reliable means is shielding, which will absorb the radiation before it reaches us. Dense material like lead is best, but concrete walls or even barriers of earth make good shields, if they are thick enough. Civil Defense has free booklets describing shelters. At present, community shelters are being stressed as they offer many advantages.

The Federal Civil Defense Agency has distributed several types of instruments designed to detect and measure the intensity of radiation due to fallout. These have been distributed to communities in New Hampshire that have trained people to read and interpret them. If the fallout danger becomes critical, Civil Defense authorities will warn the general public by a number of agencies. Meter readers state wide will report their readings to their directors, and these in turn will be combined with those of other communities. From these readings we can determine the extent and intensity of the fallout pattern and advise the people what to do. The methods of assembling, assessing and distributing information are constantly being revised to better protect our citizens.

During the past year a completely new Civil Defense Plan for the Town of Hooksett was organized, staffed and trained and four copies of each unit were submitted to the state Civil Defense Agency at Concord, which in turn submitted Hooksett's Civil Defense Plan to the Federal Civil Defense Agency. The Hooksett Civil Defense Plan was approved as of January 1963. Any community not having a Civil Defense Plan approved by the Federal Civil Defense Agency are no longer eligible for supplies or matching funds under the Civil Defense Program.

Our Civil Defense Personnel will continue to operate on a weekly basis so that we will be efficient regardless of what the emergency may be.

With sincere thanks to all of the Civil Defense Personnel, the Board of Selectmen, the Police Department, the South Hooksett and Hooksett Village Fire Departments for volunteering their time and services for this most worthy cause.

Respectfully submitted

Richard H. Hemeon  
Local Director  
Civil Defense Hooksett

# DIVISION OF MUNICIPAL ACCOUNTING

## STATE TAX COMMISSION

Concord, New Hampshire

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 8, 1963

Board of Selectmen

Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Hooksett for the fiscal year ended December 31, 1962, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

### SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Library, Municipal Court and Trustees of Trust Funds.

### FINANCIAL STATEMENTS

Comparative Balance Sheets: December 31, 1961 - December 31, 1962: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1961 and December 31, 1962, are presented in Exhibit A-1. As indicated therein, the Net Debt increased by \$4,272.72 in 1962.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

### Increase in Net Debt

Long Term Notes Issued	\$10,000.00
Decrease in Accounts Receivable	1,188.26
Tax Collector's Excess Debits (Net)	1.81
Decrease in Town Clerk's Cash on Hand	14.80
	<u>\$11,204.87</u>

### Decrease in Net Debt

Net Budget Surplus	\$ 1,932.15
Long Term Notes Paid	5,000.00
	<u>6,932.15</u>
<u>Net Increase</u>	<u>\$ 4,272.72</u>

### Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1962, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of \$8,345.31, less a net overdraft of appropriations of \$6,413.16, resulted in a net budget surplus of \$1,932.15.

### Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1962, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1962, is indicated in Exhibit B-2.

### Statement of Indebtedness: (Exhibit H)

A statement of outstanding long term indebtedness as of December 31, 1962, showing annual debt service requirements, is contained in Exhibit H.

### GENERAL COMMENTS

#### Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$371.95 to \$1,099.23, during 1962, as shown herewith:

	<u>December 31, 1961</u>	<u>December 31, 1962</u>
<u>Total Assets</u>	\$212,379.27	\$230,080.65
<u>Current Liabilities</u>	212,007.32	228,981.42
<u>Current Surplus</u>	\$ 371.95	\$ 1,099.23
	<u>          </u>	<u>          </u>

#### Overdraft of Appropriations and Application of Municipal Budget

##### Law:

It is noted that in the fiscal year ended December 31, 1962, there was a net overdraft of appropriations amounting to \$6,413.16. In other words, - total expenditures exceeded total appropriations by this amount as indicated herewith:

Overdrafts of Appropriations	\$10,909.68
Unexpended Balances of Appropriations	<u>4,496.52</u>
Net Overdraft of Appropriations	\$ 6,413.16
	<u>          </u>

Included in the net overdraft of appropriations was an overdraft in the "Overlay" account which amounted to \$2,076.43. Inasmuch as the amount which is raised for "Overlay" is determined by the Selectmen rather than appropriated by the Town meeting, it is not strictly speaking an appropriation account. Therefore, the actual net overdraft of budgetary appropriations was \$4,336.73, arrived at as follows:

Net Overdraft of Appropriations	\$ 6,413.16
Less:	
<u>Overdraft in "Overlay" Account</u>	<u>2,076.43</u>
Actual Net Overdraft of Budgetary Appropriations	\$ 4,336.73
	<u>          </u>

In accordance with the provisions of Chapter 32, Section 10-a, of the Revised Statutes Annotated, whenever it becomes necessary to make expenditures which exceed total budgetary appropriations during the year, the Board of Selectmen, with the approval of the Budget Committee, should make application to the Tax Commission for a certificate of emergency authorizing such excess expenditures.

##### Conclusion:

The provisions of Chapter 184 of the Laws of 1955 require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the town.

We extend our thanks to the officials of the Town of Hooksett for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Lionel J. DeGrace, Auditor  
George L. Russell, Accountant

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Hooksett for the fiscal year ended December 31, 1962. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1962, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler  
Director

SUMMARY OF FINDINGS AND RECOMMENDATIONS

August 30, 1962

The School Board  
Hooksett School District  
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Hooksett School District for the fiscal year ended June 30, 1962, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1961 and June 30, 1962, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$48,967.78 during the fiscal year ended June 30, 1962.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1962, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$6,288.01, plus a revenue surplus of \$5.00, resulted in a net budget surplus of \$6,293.01.

Summary Statement of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1962, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance, as of June 30, 1962, is indicated in Exhibit E-2.

Statement of School Lunch Accounts: (Exhibits F-1 & F-2)

Statements of the Village School and Underhill School Lunch accounts for the fiscal year ended June 30, 1962, are presented in Exhibits F-1 and F-2.

Statement of Building Fund Account: (Exhibit G)

A statement showing the activity in the Building Fund account during the fiscal year ended June 30, 1962, is included in Exhibit G.

Statement of Long Term Indebtedness: (Exhibit H)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1962, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from \$2,125.23 to \$6,293.01 during the fiscal year ended June 30, 1962, as shown herewith:

	<u>June 30, 1961</u>	<u>June 30, 1962</u>
<u>Total Assets</u>	\$403,848.14	\$159,585.30
<u>Current Liabilities</u>	<u>401,722.91</u>	<u>153,292.29</u>
<u>Current Surplus</u>	\$ 2,125.23	\$ 6,293.01

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Hooksett School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLERS  
Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Lionel J. DeGrace, Auditor  
George L. Russell, Accountant

HOOKSETT SCHOOL DISTRICT

Certificate of Audit

This is to certify that we have examined and audited the accounts of the Hooksett School District for the fiscal year ended June 30, 1962. In our opinion the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1962, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler  
Director

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Hooksett qualified to vote in district affairs:

You are hereby notified to meet at the Hooksett Memorial School in said District on the 9th day of March, 1963 at two (2) o'clock in the afternoon, to act upon the following subjects.

1. To choose all necessary District Officers for the year ensuing.
2. To see if the District will vote to raise the salary of each School Board Member by one hundred fifty dollars (\$150.00). INSERTED BY PETITION. (Approved by Budget Committee).
3. To see if the District will authorize the School Board to negotiate a contract with the Manchester School Board relative to sending those high school tuition students who want to go to that District.
4. To see if the District will vote to appoint a study committee of 21 citizens; three members of the School Board, three members of the Board of Selectmen, three members of the Budget Committee, three members of the Village P.T.A., three members of the Underhill P.T.A., three members of the Memorial P.T.O. and three members of the Town Planning Board, this committee to make a detailed study of the District's high school needs and to present a report to the School District Meeting of 1964 or to a special District Meeting if necessary. INSERTED BY PETITION.
5. To see if the District will vote to raise and appropriate the sum of five hundred dollars (\$500.00) to be used by the High School Study Committee for its architectural, legal and other expenses incurred in its work. INSERTED BY PETITION. (Approved by Budget Committee)
6. To see if the District will vote to authorize the School Board to purchase one GMC 73 passenger pusher type bus for a sum not to exceed \$10,500.00, said sum to be borrowed on the credit of the School District and amortized over a five year period, and to raise the sum of \$5320.00, this sum to cover the cost of principle payment, interest, insurance, driver's salary and operating expenses of this vehicle for the fiscal year 1963 - 1964. (Disapproved by Budget Committee)

7. To see if the School District will vote to accept the Budget as submitted by the Budget Committee, or take any other action in relation thereto.
8. To see if the District will authorize the School Board to accept on behalf of the District, all Federal or State Funds for the aid of Education or School construction, should any such funds become available.
9. To transact any other business which may legally come before said meeting.

Given under our hands and seal this 15th day of February, in the year of our Lord, nineteen hundred and sixty-three.

Ray F. Langer  
Gordon E. Moore  
Arthur B. Sanborn  
School Board of Hooksett, N. H.

## SCHOOL BOARD REPORT

1962 - 1963

This is the third annual report to be presented by the School Board since the practice was initiated by Arthur Donati as Chairman of the 1960 - 1961 School Board. In his report Arthur stressed the need for expansion of the then existing housing facilities because of the anticipated growth of the District and emphasized the fact that to acquire and hold good teachers, salaries must be competitive with those of other Districts.

This District has shown marked advances in both of these fields, the most obvious of which was the completion of construction of the Hooksett Memorial School, marked by the dedication ceremonies on Veterans Day, November 11, 1962. Prior to the 1962 District Meeting the School Board formulated a revised salary schedule, competitive with the other local Districts. The recommendations in this schedule were included in the 1962 - 1963 budget. Through this schedule we were fortunate in obtaining the services of a number of well qualified teachers to fill the vacancies on our staff in September.

Through our teachers interest and cooperation, under the leadership of principals David Cawley, John Sturm and Charles Lord the emphasis the Board asked be placed on the importance of classroom and outside required studies and an athletic program has begun to materialize. Our Superintendent, Maurice Grey, informs us that the results of the nation-wide testing programs we use as a means of comparing our students with others of the same grades are showing that we are fortunate in having a number of students in the upper level of learning.

Calisthenics are conducted as a part of the Memorial School program and, for the first time, the District has organized, competitive basketball teams, both for boys and for girls, both actively engaged in competition with teams from surrounding towns. Through these games the boys and girls are learning the essential of teamwork and good sportsmanship as well as improving themselves physically. These things would not be possible without the help of a willing staff and the aid of Mr. Joseph who donates his time after teaching at Pembroke Academy to coaching our boys' basketball team.

The District is enjoying the results of a good teaching staff but these results will not continue unless we encourage them. The salary schedule we are trying to adhere to has become obsolete once again even though it has only been in force one year. Teachers'

salaries constitute almost one-third of the District budget and create a financial burden. The results of this expenditure are not readily recognized. We can see, and thus enjoy, what our tax dollar purchased as far as Hooksett Memorial School is concerned, but we are unable to visualize the increased mental activity in Jane's head or the hardening of the muscles in Bob's body. These functions may not be visible but they are more important as results achieved through the expense of operating the District than all the material things which go to make up the District. They are only achieved through a plan which involves a capable and willing staff of teachers, a staff which is expensive.

We emphasize these points because this is the area in which the School District Budget will continue to grow. As long as the children in this District receive a dollar's worth of value for every dollar spent we can be sure that the item covering teachers' salaries is well worth it. It is the responsibility of the District's School Board, the Superintendent, the Principals and the teachers to see that the taxpayer's dollar is spent wisely.

Transportation has become big business for the District. We purchased two additional 73 passenger buses during the summer making a total of four District owned buses. The drivers, Lloyd Robie, Tony St. Germaine, John Beale and Clarence Hemeon should be commended for the job they do in transporting the children to and from school. The growth of our district affects transportation for nearly 90% of our children are bus students. Already the present routes are filling the buses to capacity and we find that schedule adjustment will involve the purchase of an additional bus to increase available capacity.

The facilities of the schools were made available to school and town affiliated organizations early in September. Since that time the buildings have been in use 60 evenings and are presently scheduled for use 12 nights each month. Organizations using these buildings were the Village PTA, Underhill PTA, Memorial PTO, Hooksett Women's Club, Union teachers' meeting, Hooksett Sportsmans Club, Boy Scouts, Cub Scouts, March of Dimes Committee, Democratic Committee and School sponsored activities.

Major maintenance during the past year was concentrated at the Village School. A new aluminum main door was installed in the front of the building. Most of the basement windows in the front were removed and replaced with glass blocks. New Kalwal assemblies were installed in place of the windows and casings in the north classroom on the main floor of the old part of the building. It is expected that the kitchen storage and work areas will be enlarged and the kitchen

windows replaced this spring. A rather extensive maintenance program is anticipated to repair and replace parts of the building that are retiring because of old age.

We are sure that many children and a great number of adults who attended school during her many years of service will remember Miss Adonia Douillette, our school nurse, who retired in January. Miss Douillette seldom made herself heard in our District and kept pretty much in the background, but she was always available whenever she was needed. Through her efforts on behalf of the District we enjoy the benefits of a MAICO Hearing Testing Machine which was donated to the towns of Allenstown, Pembroke and Hooksett by the Suncook Bank and an Eye Testing Machine presented to the Hooksett School District by the Manchester Lions Club. Our thanks to these organizations, and to Miss Douillette, "Thank you, for your many services these many years".

Our thanks to the Officers of the Suncook Bank for the basketball clock and scoreboard they presented to the District in the Bank's name. The students and the players at Memorial School are very proud of this fine instrument. We would also like to thank the Emerson Furniture Company for their fine furniture in the Memorial School health room. It is almost a pleasure to be ill in this school. Last but not least we should like to thank all of the fine people who helped to make the Hooksett Memorial School the success we think it is. Since its erection and occupancy we have found that a beautiful building can be a practical one as well. This Board could never have achieved these results without the advice and assistance of these people.

Respectively submitted,

RAY F. LANGER

## SUPERINTENDENT'S REPORT

### HOOKSETT ELEMENTARY SCHOOLS

	51-52	56-57	61-62	62-63
*A.D.M.	308*	410*	528*	602*

#### \*Average Daily Membership

The above chart shows an increase in daily membership of almost 100% from 1951-52 to 1962-63, or an average yearly growth of over 6%. This is a rather remarkable growth and we do not need to be particularly concerned space-wise because of the new Memorial School. However, the large increase from last year to this is significant, especially when one considers that 66 pupils have entered Hooksett Schools from September to the present (January 10, 1963). There is no way of telling whether this will continue, or, if it does, where or in what grades the pupils will be. We hope each school will get its share but such might not be the case.

It was necessary last spring (and summer) to hire several beginning teachers. With a beginning salary of \$4000 we were able to secure very promising ones. Massachusetts has adopted by legislative act a beginning salary of \$4500. What effect this will have we do not know but there will be some. If we can remain within a reasonable range of whatever the beginning salary is in this area, we hope to get our share of teachers. While we must be competitive at the lower end of the salary scale we should not overlook those of many years of valuable experience. At the moment the differential between the top and bottom seems to be too small.

Costs of education in general are increasing, and, particularly in Hooksett, must increase due to even greater numbers of pupils. These costs are reflected directly in high school tuition costs and in the elementary system whenever an extra teacher is required. As our numbers increase it is barely possible that Hooksett may qualify for State Foundation Aid but until it does we in Hooksett need to carefully review any and all legislation which might grant aid on a per pupil basis - so-called flat grant aid. It is my opinion that we will be able to use to good advantage all the state funds we may obtain.

The Hooksett Memorial School has just participated in a state wide testing program administered by the Test Service and Advisement Center of Dunbarton, N.H. Dr. Walter N. Durost, the director, is a national authority in the testing field. The results show that our average ability is the same as the rest of New Hampshire (which is higher than the National average) and that our achievement is comparable. An average can be misleading; so I want to state that Hooksett has a large number of students with excellent ability and achievement. It is our job to challenge and direct this ability. Two sections of a grade is better than one, and three or more are still better, i.e. 25 pupils per class is better than 40. We hear much today about quality in education as we do "quality control" in industry. As in industry, to produce a quality product one needs quality materials, facilities, workmen, and supervisors. Usually these take quality dollars in quantity. While we are trying to produce quality we must not forget the average and below average student. In education we can not junk poor materials or even give the "pink slip" to those not producing - nor should we, for there are few, if any, humans who can not be trained to be productive for themselves and society as a whole. However, the task is not easy. We ask for your patience and understanding.

The Memorial School is getting considerable attention from school districts with building problems. This is a most pleasant, attractive and functional building.

Respectfully submitted,

C. MAURICE GRAY

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE HOOKSETT VILLAGE WATER  
PRECINCT IN THE TOWN OF HOOKSETT AND COUNTY OF  
MERRIMACK IN SAID STATE QUALIFIED TO VOTE IN SAID  
PRECINCT AFFAIRS:

You are hereby notified to meet at Fire Station #1 in said Hooksett  
on Friday the 15th day of March next, at seven-thirty o'clock in the  
evening, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Water Commissioner for the ensuing five years.
4. To choose a Treasurer for the ensuing year.
5. To raise such sums of money as may be necessary to defray  
precinct charges for the ensuing year and make appropriations  
of the same.
6. To hear the reports of Agents, Auditors, Committees or Of-  
ficers heretofore chosen, and to pass any vote relating there-  
to.
7. To see if the Precinct will vote to elect its Precinct Officers  
by the non-partisan ballot system as provided in RSA 59:77-86.  
The provisions of this Article to take effect at the 1964 annual  
Precinct Meeting.
8. To see if the Precinct will vote to authorize the Board of Wa-  
ter Commissioners to purchase a one half to three quarter ton  
pick-up truck for a sum of money not to exceed One Thousand  
Dollars (\$1,000.00) and to authorize the Board of Water Com-  
missioners to withdraw the necessary funds for this purpose  
from the Precinct's Replacement Fund.
9. To see if the Precinct will vote to authorize the Board of Wa-  
ter Commissioners to transfer the unexpended balance of the  
Brickyard Brook bond issue to the Precinct's Replacement  
Fund.

10. To transact any other business that may legally come before  
said meeting.

Given under our hands and seal this eleventh day of February in  
the year of our Lord nineteen hundred and sixty-three.

Hooksett Village Water Precinct

FOURTEENTH ANNUAL REPORT  
HOOKSETT VILLAGE WATER PRECINCT

FOR THE YEAR ENDING DECEMBER 31, 1962

OFFICERS OF THE DISTRICT

Moderator  
GEORGE A. COOK

Clerk  
RICHARD HEMEON

Treasurer  
HERBERT J. LASALLE

Water Commissioners	
ALFRED COLLERETTE	Term expires 1963
GEORGE BROWNING, JR.	Term expires 1964
LESLIE M. PIKE	Term expires 1965
JOHN B. MULAIRE	Term expires 1966
EUCLID CADRETTE	Term expires 1967

REPORT OF WATER COMMISSIONERS

During the year 1962 a total of 1285 feet of 8" cement asbestos main was added to the system, 285 feet of this new main being installed on Bernice Street in the Linda Lane Development and 1000 feet, together with one hydrant being installed on Pleasant View Terrace. All of this main extension work was performed and paid for by the Developer under the Supervision of the Precinct and in each case the work was guaranteed in writing for one year.

The Precinct's policy of replacing over-age and undersized mains was continued during 1962 with the replacement of the old main on Rosedale Street with 290 feet of 2" cement lined pipe. It is anticipated that the next such replacement to be undertaken will be a portion of the Arel System, so called, on Merrimac and Mill Streets, where there is a total of 875 feet which needs to be renewed.

The number of water takers continues to grow, with a total of 21 new services being added during the year.

The new water supply at Brickyard Brook continues to prove its worth, being used twice during the year, once in the spring and once in the fall. On each occasion the system was in use for three days and in each case it was possible to raise the water level in the Pinnacle Pond reservoir 3 feet. It will be noted that all work has been completed on this project and the Commissioners are requesting the Precinct to transfer the balance of the funds in this account to the Precinct's Replacement Fund.

As authorized by the voters at the last annual meeting the Board has purchased the old Fire Station house of Department No. 1 and expects to take over occupancy as soon as the Fire Department's new building is ready.

ALFRED COLLERETTE  
JOHN B. MULAIRE

## Increase in Net Debt

Long Term Notes Issued	\$5,000.00
Cash Surplus Used to Reduce Tax Rate	205.89
	5,205.89
Net Decrease	<u>\$4,713.52</u>

## SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 13, 1963

Board of Commissioners  
Hooksett Village Water Precinct  
Hooksett, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Hooksett Village Water Precinct for the fiscal year ended December 31, 1962, which was made by this Division in accordance with the vote of the Precinct. Exhibits as hereafter listed are included as part of the report.

## FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1961-December 31, 1962: (Exhibit A)

Comparative Balance Sheets as of December 31, 1961 and December 31, 1962, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$4,713.52 in 1962.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the Precinct during the year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

## Decrease in Net Debt

Bonds Matured and Paid	\$8,000.00
Net Budget Surplus	1,874.99
Increase in Accounts Receivable	44.42
	<u>\$9,919.41</u>

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1962, are presented in Exhibits C and D. As indicated by the budget summary (Exhibit D), a revenue surplus of \$692.52, plus a net unexpended balance of appropriations of \$1,182.47, resulted in a net budget surplus of \$1,874.99.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures of the Precinct for the fiscal year ended December 31, 1962, and Proof of the Treasurer's balance on that date, is included in Exhibit E.

Building Fund Account: (Exhibit F)

A statement showing the activity in the Building Fund account during the fiscal year of 1962 is presented in Exhibit F.

Statement of Long Term Indebtedness: (Exhibit G)

A statement of the outstanding long term indebtedness of the Precinct as of December 31, 1962, showing annual debt service requirements, is contained in Exhibit G.

## GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$401.97 to \$2,115.49, during 1962, as shown herewith:

	<u>December 31, 1961</u>	<u>December 31, 1962</u>
<u>Total Assets</u>	\$4, 174. 23	\$6, 120. 90
<u>Current Liabilities</u>	<u>3, 772. 26</u>	<u>4, 005. 41</u>
<u>Current Surplus</u>	<u>\$ 401. 97</u>	<u>\$2, 115. 49</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report.

We extend our thanks to the officials of the Hooksett Village Water Precinct for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director  
DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Lionel J. DeGrace, Auditor  
George L. Russell, Accountant

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Hooksett Village Water Precinct for the fiscal year ended December 31, 1962. In our opinion, the Exhibits included herewith reflect the financial condition of the Precinct as of December 31, 1962, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director  
DIVISION OF MUNICIPAL ACCOUNTING

THE CENTRAL HOOKSETT WATER PRECINCT

ANNUAL REPORT FOR 1962

This system continues to function satisfactorily as it has since it was constructed in 1956. The daily average consumption of 80,000 gpd represents a 9% increase over last year.

An 8" water main was extended 455' along White Hall Drive to serve seven new houses being built by the Boynton Heights Building Co.

The precinct furnished water to the N. H. Industrial Park with a temporary connection for about 3 weeks while their tank was being repainted.

A concrete block storage building for water works equipment and materials was erected Southeast of the Pumping Station.

The Precinct has 152 customers accounts consisting of 29 metered commercial accounts and 123 flat rate customers.

CHARLES R. HARDY, Town Clerk

A hand-drawn floor plan of a school building. The plan is divided into several sections:

- Top Left:** A large rectangular area labeled "GYM".
- Top Right:** A long horizontal rectangular area labeled "CLASSROOMS".
- Middle Left:** A vertical strip containing a "LOCKER RM." and an "EXPANSION" area below it.
- Middle Right:** A large rectangular area labeled "CLASSROOMS" with a smaller "T. T." (Toilet) area to its left.
- Bottom Left:** A rectangular area labeled "MULTI-PURPOSE" with a "STAGE" area below it.
- Bottom Center:** A circular area, likely a courtyard or well, with a clock face drawn on it.
- Bottom Right:** A rectangular area labeled "CLASSROOMS" with a "T. T." (Toilet) area to its left.
- Far Left:** A vertical strip containing a "S." (Storage) area and a "STAGE" area.
- Far Right:** A vertical strip containing a "S." (Storage) area and a "STAGE" area.
- Bottom Edge:** A series of small rectangular areas labeled "W.R." (Water Room), "T.C.H." (Teacher's Clubhouse), "H." (Hallway), and "R." (Restroom).

The drawing is done in a simple, sketchy style with various lines and shading to represent different materials or structures.
